

MODIM ANAHNU LAKH

מוֹדִים אֲנַחְנוּ לָךְ

...

מֵעוֹלָם קִוִּינוּ לָךְ.

We acknowledge You and thank You

...

We have always put our hope in You.

--FROM THE 'AMIDAH

For all the moments that we're here together;
For all the time that I'm with you apart.
For all the beauty that we see around us,
For all the love that we've learned how to feel.
For all the prayers that I can't find the words to;
For all the prayers that I say in my heart.
For making us holy, for making us humble;
For giving us strength and for making us pure.
